SUMAYYA AMEER

Thrissur, Kerala |+91 7356940691 | sumayyataofficial@gmail.com

OBJECTIVE

To enhance my professional skills, capabilities and knowledge in an organization which recognizes the value of hard work and trusts me with responsibilities and challenges.

EDUCATION

Bachelor of Computer Application | 2023 – 2026

St Joseph's Autonomous College , Irinjalakuda

Higher Secondary | 2021 – 2023

GMGHSS Irinjalakuda

INTERNSHIP

Internship on Developing mobile applications using flutter | Apr 2025 - May 2025

- The Wedding Event Booking System is a mobile application developed using Flutter, with Firebase as the backend
- It serves as a one-stop solution for booking wedding-related services such as venues, catering, photography, decorations, and event planning.
- The system aims to streamline the wedding planning process, making it more efficient

PROJECTS

Face Recognition-Based Smart Attendance System

- Automates attendance, replacing manual methods like roll calls and signatures
- Uses Haar Cascade for face detection and LBPH for face recognition
- Stores student facial data with unique IDs
- Captures real-time images and matches with stored dataset
- Automatically records attendance in an Excel sheet

Department website

- Developed a dynamic and user-friendly departmental website for the Computer Science Department
- Designed the platform to provide quick and easy access to department-specific information
- Reduced dependency on the main college website by creating a focused, streamlined interface
- Enhanced information delivery for students, including updates, notices, and resources

CERTIFICATES

- Introduction to Microsoft excel - Coursera | Feb 2024
- Create a Website Using WordPress: hosting and sub-domain - Coursera | Feb 2024
- Developing mobile applications using flutter - Zoople | April 2025
- Face recognition based attendance system using python django | Nov 2025
